

WSU Transcript Release Policy

For matters where a student is found responsible for violation WSU's Executive Policy #15, the policy prohibiting discrimination, sexual harassment, and sexual misconduct, or the conduct is a form of sex and gender based violence, including, but not limited to sexual assault, intimate partner violence, or stalking, and the final order results in suspension or expulsion, the Office of Student Conduct will include a letter along with any transcript the student requests be sent directly to a receiving institution. The letter will state that the student was found responsible for violating the WSU *Standards of Conduct for Students*, and was dismissed from the University.
